Sir:

Applicant's attorney of record would like to request that the document entitled "Certified Copy of Foreign Priority Application" be removed from the image file wrapper of the above application. It appears that this document was entered in this case by error. As you can see from the document, it references the incorrect inventor and title of this application. This application does not claim priority to GB Application No. 0224806.0, filed October 24, 2002. Please remove pages 1 to 2 of this document, and keep pages 3 to 4 as it is the correct Power of Attorney by Assignee referencing the above case.

Should you have any questions, please do not hesitate to contact the undersigned at 510-663-1100.

Respectfully submitted,
BEYER WEAVER LLP
